(15 gates per ring)

NUMBER OF JUMPS NEEDED: _____ X \$25.00 PER SET = \$ _____

RALLY EQUIPMENT (INCLUDING JUMPS) \$75 = \$ _____

TOTAL OWED OTCGL = \$ _____

1. The prices are per event (weekend) and club member requests have priority over non-member requests. Whether to allow equipment to be used by a particular organization or for a particular event remains at the discretion of the OTCGL Board of Directors.
2. Mats (15/ring), ring gating, and jumps (equipment) must be returned in good condition. If equipment is dirty, wet, or damaged when returned, the renting individual or organization must pay an hourly rate of \$10.00/hour for the actual labor time and materials needed to clean, dry, or repair it. If equipment is damaged beyond repair, the renting club owes the OTCGL the actual cash value of the mat or gating (which will never be less than 30% of the replacement cost new.) If the equipment is lost or stolen, the renting individual or organization owes OTCGL the replacement cost of a new item.
3. A security deposit of \$100.00 will be required of the renter. If damages exceed the security deposit, OTCGL will keep the deposit and bill the renter for the balance.
4. The renter's representative must arrange in advance with an OTCGL member other than the one acting on behalf of the renter, who is currently authorized to have keys, for the pick up and return of the equipment.
5. Pick up, cleaning, and return of rented equipment must not interfere with normal operations of the OTCGL training center.
6. The authorized OTCGL member will record the inventory numbers of the mats being rented. They will note the number of boxes of ring gating being taken and make sure that each box contains the correct number of gates and stanchions, as listed on the outside of each box. Upon their return, an authorized OTCGL member will check to see that all equipment is returned and in good condition.
7. The new mats will not be rented out. They are marked "NEW."
8. Failure of renting organizations or individuals to comply with these rules will result in their being barred from renting equipment in the future and may lead to other action as well.
9. Keys will not be lent out to individuals/organizations wishing to rent equipment. If keys are lent without permission of the Board, the lender will pay the cost of having the locks changed and new keys made.
10. This form, with deposit and rental fees, must be presented to the OTCGL treasurer before equipment can be checked out.

I have read the above rules and agree to abide by them. If I am signing as a representative for a club or organization, I hereby certify that I am authorized to act as the agent for said club or organization in this matter, and that said club or organization also agrees to abide by the terms of this agreement.
